JESUS LOVES EVEN ME!

John 15:8

Just as the Father has loved Me, I have also loved you;
abide in My love.

Many time people have a hard time really believing that the Lord Jesus truly loves them. They believe that He loves other people, but they are not so sure He loves them. Deep down, they do not see themselves as deserving or worthy of His love.

The truth of the matter is this: no one is worthy of His love. No one deserves one ounce of His love and grace. The Lord does not love you because you deserve it. He loves you because He is gracious and loving. To Him, you are extremely special and precious.

Once you accept the fact that the Lord really does love you, you have to come to grips with what that means. Two practical, easy to grasp insights come from the undeniable truth that the Lord God loves us.

One, because the Lord really loves me, that means He wants to hang out with me. Jesus called us "friend". He really wants to be with me and spend time with me. Two, because the Lord really loves me, He wants what is best for me. When we choose to walk in disobedience to God's Word, we are denying the truth that He loves us and what He has directed us to do and not do is for our good.

When we accept His love, we have a compelling desire to trust and obey God. Receive His love today and allow Him to change your life.

Pastor Stoker's Sermon Series

The Number 10...The Perfect Number

The number ten is the start of a whole new order of numbers and the culmination of the numbers that come before it. This may seem to be merely a distinction given to ten under our decimal numbering system. However the numbering systems in use in the time that the Bible was written were also based upon the number ten. Ten implies completeness of order. Ten represents the perfections of divine order.

Be sure to follow this informative and inspiring sermon series. Order your copy of Pastor's sermon series on the number 10 at the Hospitality Booth today.
