OF COURSE I'M A CHRISTIAN

Colossians 1:27

To whom God would make known what is the riches of the glory of this mystery among the Gentiles; which is Christ in you, the hope of glory:

What does it really mean to be a Christian? Does it mean you have joined a church? Does it mean you have been baptized in water? Does it mean you have intellectually believed some facts about the life and person of Jesus? Does it mean you do some religious things? No, None of the above.

It is sad but true. Many people claim to be Christians and truly think they are Christians but do not understand what it means to be one. What does the Bible say regarding this all important subject? The Bible tells us that a Christian is one who has received the very life and nature of God—"Christ in you, the hope of glory" (Col. 1:27).

In 1 John 1:3, The Apostle John talks about the fact that he has fellowship (koinonia—"sharing") with the Father and with His Son Jesus. What is fellowship? One preacher defined it as two fellows sharing the same ship. While that is certainly catchy, it does not go far enough. A better definition of fellowship would be two fellows sharing the same life. A Christian is someone whose life is now connected to God. A person who has a personal relationship with the Lord. A person who really knows the Lord, not just in his head, but in his heart.

What about you? Have you completely surrendered yourself to Jesus? Have you asked Him to be your Savior? Are you in an intimate relationship with Him? Have you made Him Lord of your life? Are you a Christian?
