PRACTICAL ATHEISM?

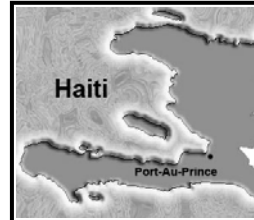

*"The fool has said in his heart, There Is NO God"
Psalms 14:1*

An atheist believes there is no God and God's response to that is he's a fool. While no Christian would be guilty of being an atheist, many Christians are guilty of being practical atheists. A practical atheist *believes there is a God but lives as if there is no God.*

Notice the convicting similarities between atheism and practical atheism. An atheist does not pray and so is the case with many Christians. They may bow their head and say a few prayers in church or over their meal but there is no real time to seek God in prayer. An atheist does not read the Bible and unfortunately such is the case with many Christians. The average Christian falls prey to the devil's lies because they do not know the provision God has made for them through HIS Word. An atheist walks by sight, not faith. So many Christians do the same thing. They fail to evaluate their situation in light of God miraculous power, so they worry and fear and fail to simply trust God. An atheist does not give to the Lord's work. Many Christians do not either. An atheist lives only for this life. Sadly, many Christians plan as if this temporary, mortal life is all that matters. They make decisions with only earth in mind, not Heaven.

If some of those similarities are too close for comfort, ask the Lord to forgive you and change you today. Don't live another day as if God were not alive and able to work miracles.

God is NOT dead, He is ALIVE and well. He still answers prayer, He still speaks through His Word, He still blesses when we honor Him with our wealth, He still moves mountains when we come to Him with a mustard seed of faith, and He still rewards those who diligently seek Him. No matter what you are facing today, God is able. Take Him at His Word and trust Him! His name is JEHOVAH SHAMMAH—"the Lord ever-present". Live like it!!
